

Curriculum Summary for Year 11

Academic Curriculum

Core subjects

English (i)GCSE (first or second language as appropriate)
Mathematics iGCSE (including Certificate in Further Mathematics for most talented)
Single or Double Science iGCSE (Biology, Physics, Chemistry)
Global Perspectives iGCSE

Options¹

Art and Design iGCSE
Computing iGCSE

Business
Economics
History
Music

Non-examined subjects

Health and Well Being
ICT

Students may also take a GCSE in their native language (if available), however this will not be timetabled.

Language tuition in other modern foreign languages may be arranged on an individual basis. (Spanish tuition can also be provided).

Co-curricular

(joining King's pupils for all these activities)

Sport
Activities
Academic extension, debates and talks

¹ **Options:** students will be given a choice of doing three or even four of these elective subjects depending upon their background and ability; sensible restrictions will be needed for those on the single Year 11 course.
